For our headquarters in Mönchengladbach we are looking for an
Aircraft Metalworker (m/f/d)
at the earliest possible date.

Rheinland Air Service GmbH (RAS) is a maintenance and repair company for prestigious airlines and business aviation aircrafts. With about 330 employees we are market leaders in aircraft maintenance, repair, overhaul and sales of ATR aircrafts and parts. Our advanced range of international services are quality conscious and characterized by maximum customer satisfaction.

If you are looking for a diversified career in an exciting and international surrounding, then we are the right place for you. We are a well-attuned, aerodynamic crew; our hearts beat for aircraft technology. Exciting projects related to aircraft await you here. **Come on board and start your career at RAS now!**

YOUR PROFILE

> Completed training as an aircraft mechanic
> Experience in aircraft refitting
> Experience in structural repairs
> Experience in the repair of structural defects
> Good German and English skills in writing and speaking

WE EXPECT:

> Good knowledge of the mentioned areas
> Ability to work independently
> Willingness to work in shifts
> Reliability, diligence and attention to detail
> Ability to communicate and work in a team
> Class B driving license

JOB DESCRIPTION

> Handling of materials
> Replacement of defective structural components
> Carrying out repairs/modifications according to the manufacturer instructions (SRM, SRI, SB, etc.)
> Manufacture of components in the course of repairs
> Carrying out of various procedures such as "cold expansion of holes (FTI system)"
> Processing of fastening materials

WE OFFER:

> Full-time employment
> Performance-based pay
> An interesting and versatile field of work with long-term perspective
> Friendly working atmosphere
> Participation in internal training and further education
> Social benefits

Please send your complete and informative application documents with your salary expectation and your earliest possible entry date to: **bewerbung@ras.de**
